

About Pressley Ridge

Pressley Ridge provides individuals and families with hope and support through life's challenges. We pride ourselves on partnering with families and meeting them where they are, when they need it the most.

Pressley Ridge was founded in 1832 and remains headquartered in Pittsburgh, Pennsylvania. A legacy of successful outcomes has allowed Pressley Ridge to expand services to communities in Central Pennsylvania, Ohio, West Virginia, Maryland, Delaware and Virginia.

Each year, more than 7,000 children and families are strengthened through community-based mental health services, foster care and adoption, specialized education and new services for transition-age youth. Our more than 70 programs all share a common goal of establishing stable, healthy families and life-long connections that result in a successful, happy life.

Highlands Sporting Clays at Seven Springs

Shooters of all skill levels are invited to join us for a day of friendly competition in the Laurel Highlands. The annual Pressley Ridge Sporting Clays Shoot raises funds to help thousands of children and families receive the hope and support they need to navigate life's challenges.

Now in its 6th year, this event continues to draw some of Pittsburgh's top business and community leaders to try their hand at shooting 100 clay targets on the best clays course in the region. Registration begins at 10:30 a.m. followed by lunch and shooting. The day ends with cocktails and awards at 4:00 p.m.

Whether you are a novice shooter or a top gun, the Pressley Ridge Sporting Clays Shoot is a fun experience with great networking opportunities - all while raising money for a good cause!
