

Pressley Ridge provides individuals and families with hope and support through life's challenges. We pride ourselves on partnering with families and meeting them where they are, when they need it most.

Each year, 10,000 children and families are strengthened through community-based mental health services, foster care and adoption, specialized education and new services for transition-age youth. Our more than 70 programs all share a common goal of establishing stable, healthy families and life-long connections that result in a successful, happy life.

GET INVOLVED

Volunteer

Volunteers are an essential part of Pressley Ridge's dream to see all children and families thrive. We are extremely grateful to the individuals and organizations that dedicate their time and talent to the children and families we serve. From mentorship to beautification projects, our volunteer opportunities are as unique as you are.

Backpack Giveback

Many of our families are unable to provide the most basic necessities for their children. Give Pressley Ridge families that chance to thrive by hosting a collection drive for non-perishable foods, toiletries, school supplies, coats or other essential items.

Angel Tree Campaign—Seasonal Opportunity

Our children have holiday wishes just as all children do. From toys to grocery store gift cards, our children's wishes are as unique as they are. Become an angel for a child in need this holiday season and make their wish come true.

Special Events

Pitch in to help at one of our fundraising events like Pressley Ridge's signature Ice Cream Fundae. Volunteers can assist with on-site logistics such as set up, registration, selling raffle tickets, games, face painting and more!

Other Opportunities

Have something else in mind? Pressley Ridge is always open to new and innovative ideas for improving the lives of our children and families. Contact us today to bring you idea to life.
