

VOLUNTEER IN A PROGRAM: WESTERN PENNSYLVANIA

Opportunities great for an individual!

	Pressley Ridge School for the Deaf
Career Development	Do you have a career that you love? Showcase your trade to our students through career workshops, classroom demonstrations and one-on-one mentoring. You can also help prepare our students by providing help with resumes and conducting mock interviews.
Personal Development/ Mentorship	Share your skills, hobbies, and talents with students that are eager to learn. Whether it's your favorite sport or best cooking tricks, work with students one-on-one or in a group and potentially inspire something new in a student.
Health/Physical Activity Classes	Pressley Ridge is looking for fun and engaging volunteers to share and teach their favorite physical activity to students. From yoga to rock climbing, the activity can be as unique as you are. Classes would take place during school hours. Contact Pressley Ridge to discuss schedule and frequency questions.
Field Day	Field Day continues to be a favorite among students and usually takes place in May. You can lend a hand in a variety of ways including planning, set up, and running activities to help give students a fun day in the sun.
Fall Festival	Similar to Field Day, Fall Fest can always use volunteers to assist with planning, set up and running activities. Fall Fest takes place in October.
Student Performances	Student performances take place twice a year (Winter & Spring). Lend a hand with costumes, props, decorations, set up, clean up and program design.
Housecleaning	Lend a cleaning hand to both our students and our staff by providing basic housecleaning.
Homeplaces	
Housecleaning	Lend a cleaning hand to both our students and our staff by providing basic housecleaning to help tidy up the Homeplaces residences.

Apply online: PressleyRidge.org/Volunteer

Contact: Kaitlyn Wolfe, Development Coordinator, at 412.872.9461 or kwolfe@pressleyridge.org.

Note: If applying to volunteer directly with children, you must provide at least two professional references and complete any necessary clearances.

Pressley Ridge Day Schools		
Animal Therapy	Animal therapy can have several physical and mental benefits for our students. If you have a furry friend that loves to visit with children be sure to bring them in for a calming visit with our students.	
Thanksgiving Meals	Volunteer to help prepare and serve our Thanksgiving meal, allowing staff the chance to spend some quality time with their students over a holiday meal.	
Intermural Sports League	Our intermural sports leagues include flag football (Fall), basketball (Winter) and kickball (Spring) and we are always in need of helpful referees. Due to space limitations, most games are held as "away" games. When games are held at home they take place on Thursday mornings.
