About Pressley Ridge

Pressley Ridge provides individuals and families with hope and support through life’s challenges. We pride ourselves on partnering with families and meeting them where they are, when they need it the most.

Pressley Ridge was founded in 1832 and remains headquartered in Pittsburgh, Pennsylvania. A legacy of successful outcomes has allowed Pressley Ridge to expand services to communities in Central Pennsylvania, Ohio, West Virginia, Maryland, Delaware and Virginia.

Each year, 10,000 children and families are strengthened through community-based mental health services, foster care and adoption, specialized education and new services for transition-age youth. Our more than 70 programs all share a common goal of establishing stable, healthy families and life-long connections that result in a successful, happy life.
