

VIRTUAL & DIGITAL VOLUNTEER PROGRAM

Due to COVID-19, Pressley Ridge has developed new, digital volunteer opportunities to keep dedicated volunteers connected while maintaining health and safety.

Opportunity	Description	Type
Reading to Students	Share your favorite books and stories from the comfort of your own home. Simply record yourself reading aloud for students to enjoy in class or at home.	Pre-recorded
Career Development	Do you have a career that you love? Share your enthusiasm with our students through pre-recorded career presentations and/or demonstrations. You can also help our students by providing resume feedback or answering career specific questions.	Pre-recorded & Remote
Personal/Skill Development	Help create a digital catalogue of things students can learn at home by recording your favorite hobbies. Whether it's your favorite sport or best cooking tips, you can always inspire something new in a student.	Pre-recorded
Professional Expertise	Pressley Ridge welcomes volunteers that wish to donate their time and professional expertise in all areas such as photography & videography, graphic design, development & marketing strategy and many others.	Remote
Digital Advocate	Help Pressley Ridge increase our reach by being a digital advocate and sharing our message across your social media platforms. Pressley Ridge currently curates content on the following platforms: Facebook, Instagram, LinkedIn & Youtube.	Remote

Opportunity	Description	Type
Digital Fundraiser	Host a digital fundraiser on your social media platform(s) to help raise funds for essential programs while also increasing Pressley Ridge's online reach. Funds raised through your fundraiser can be designated for whichever program resonates most with you or they can go to area of greatest need for Pressley Ridge.	Remote
Take the Re-Education Social Media Challenge!	All Pressley Ridge services are guided by a common treatment philosophy called Re-Education (Re-ED), which focuses on the entire ecology of the child and family with the goal of building on existing strengths to bring about positive change. Take the 12 day challenge and show us how you Live Re-ED! Visit www.pressleyridge.org/join-our-team/volunteer/livingre-ed to learn more!	Remote
Market Research	Pressley Ridge is constantly working to better understand our donors, volunteers, and overall audience. Help us improve our understanding by participating in surveys on a variety of topics or perform a social media audit on one or more of our platforms.	Remote
Career Forum Answerer	You can help Pressley Ridge students prepare to enter the workforce by providing honest feedback and answers to students' most pressing questions.	Remote
