Pressley Ridge Mission & Vision

Our Mission

“Whatever it takes to create success for children and families.”

Our mission statement speaks to our complete and unequivocal commitment to do everything in our power to improve the lives of children and families everywhere—especially those whose lives we touch. There is no challenge too big or barrier too strong to keep us from doing our utmost on their behalf. We succeed when they succeed.

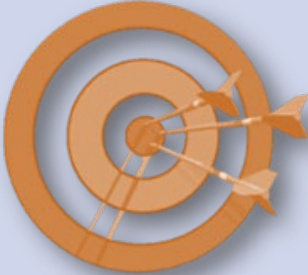

Our Vision

“All Kids Thrive.”

At Pressley Ridge, we share a dream that one day all kids may thrive. All of our efforts every day are directed at creating a world in which our vision can become a reality.

Outcomes

In the past year, nearly 8,000 individuals found success through our programs. Of the 1,823 individuals who completed services with us during that time, these are just a few of the positive outcomes they achieved:

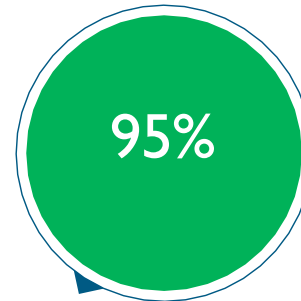

have an increased sense of well-being.

live independently or with family.

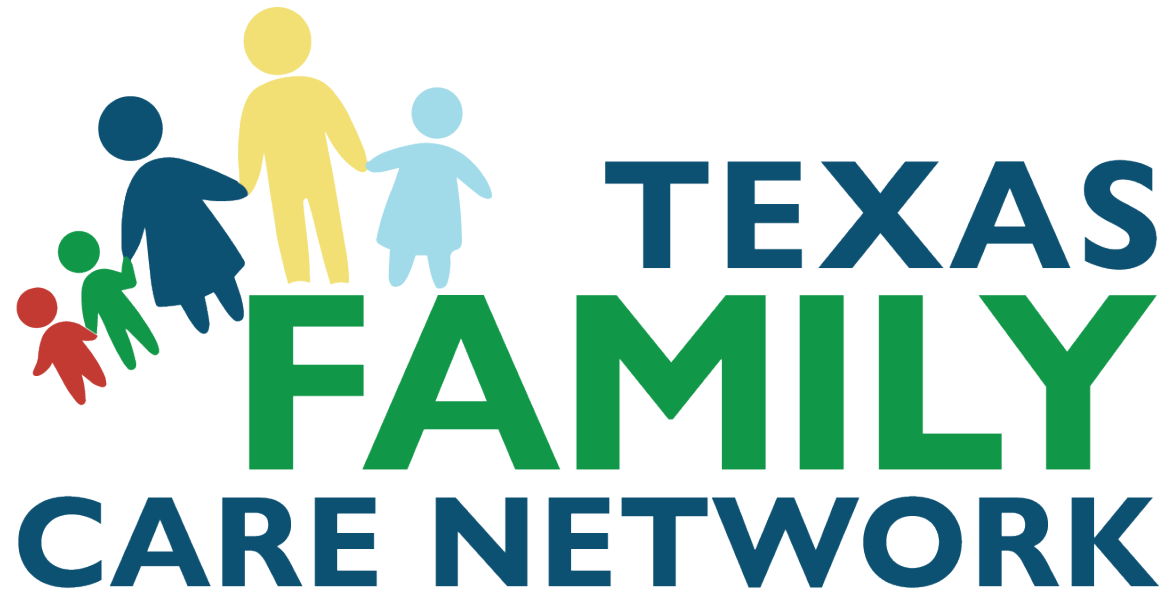

are free from abuse or neglect.

feel that they have a strong support system.

of youth are attending school or graduated.

Pressley Ridge Texas – Family Care Network

- Family Care Network is a component of Pressley Ridge Texas, a 501 (c)(3) corporation established in Texas.
- Community collaboration will provide transformational change to the foster care system in the Deep East Region (Region 5).
- Focus on an individualized and coordinated service delivery that will be provided by many local partner agencies resulting in a comprehensive level of care and support with the end goal of securing permanent and stable homes.
- Our trauma-informed and strength-based approach will provide children and families a strong foundation for success.

Family Care Network
Model of Care**

Values and Principles of Community Based Care

- We are committed to providing the highest quality of services based on sound values and principles that will guide our policies and decision making.
- View diversity, equity, and inclusion as a vital part of our mission and the communities we serve.
- Safety is paramount and children should have well-being and permanency
- Children should have stability with first placement being the last placement
- Services should be family driven, youth guided and focused on maintaining children's personal connections
- Youth are prepared to successfully transition to adulthood
- Services are delivered based on best practices and evidence-based approach
- Services are wraparound and community-based
- Work is trauma informed
- Case planning and services are individualized
- Placements are provided in the least restrictive setting
- Collaboration is the foundation of the SSCC and its network

Model of Care Highlights

Model of Care Highlights
